ADA ACCESSIBILITY IN CITY PARKS

The City of Fort Lauderdale is committed to serving the needs of all of its citizens and visitors, and our goal is to ensure access to information for a diverse audience.

ADA Event Coordinator

The City of Fort Lauderdale has a designated ADA event coordinator who has knowledge of all accessibility features of City park facilities and events. The ADA event coordinator can provide the public with information regarding the accessibility of upcoming events, including the location of disabled parking, location of accessible restrooms and amenities, and the location of special features to assist disabled persons.

The ADA event coordinator can also address the needs and requests of persons with disabilities, including requests for reasonable accommodations to participate in City events. The ADA event coordinator may be contacted to request, purchase, or reserve wheelchair and/or wheelchair companion seating for City events.

The Parks and Recreation Department's ADA event coordinator is Marie Rock. She can provide information about participation and advanced ticketing and seating for City-sponsored events. She can be contacted at (954) 828-4610 or TTY (954) 828-5520 or mrock@fortlauderdale.gov.
